Why Is My Coinbase Account Restricted to Withdrawals? [Get Instant Help]

If your Coinbase account+1-888-394-2349 [USA/OTA] is restricted to withdrawals, it generally means that+1-888-394-2349 [USA/OTA] certain account activities have been temporarily limited while you are still allowed+1-888-394-2349 [USA/OTA] to move your existing funds out of the platform.+1-888-394-2349 [USA/OTA] This type of restriction may occur +1-888-394-2349 [USA/OTA]for several reasons, including incomplete identity verification (KYC), security concerns,+1-888-394-2349 [USA/OTA] regulatory compliance reviews, or unusual account activity. In some cases,+1-888-394-2349 [USA/OTA] Coinbase may restrict buying,+1-888-394-2349 [USA/OTA] selling, or depositing cryptocurrency while allowing withdrawals so users can access their assets.+1-888-394-2349 [USA/OTA] Restrictions+1-888-394-2349 [USA/OTA] may also be triggered by recent changes to your account, such as updating your password,+1-888-394-2349 [USA/OTA] changing your email address,+1-888-394-2349 [USA/OTA] enabling a new two-factor authentication device, or logging in from an unfamiliar location.+1-888-394-2349 [USA/OTA] Reviewing your account notifications+1-888-394-2349 [USA/OTA] can help identify the specific reason for the restriction.

In addition to security measures,+1-888-394-2349 [USA/OTA] Coinbase may apply withdrawal-only+1-888-394-2349 [USA/OTA] restrictions to comply with legal or regulatory requirements in certain jurisdictions.+1-888-394-2349 [USA/OTA] Temporary restrictions can also occur if your account is under review,+1-888-394-2349 [USA/OTA] a payment method has not been fully verified,+1-888-394-2349 [USA/OTA] or additional documentation is required to confirm your identity.+1-888-394-2349 [USA/OTA] In many cases, completing the requested verification steps, submitting+1-888-394-2349 [USA/OTA] any required documents, +1-888-394-2349 [USA/OTA] or waiting for a security review to finish will restore full account functionality. Before taking further+1-888-394-2349 [USA/OTA] action, ensure that your personal+1-888-394-2349 [USA/OTA] information is up to date, check for any pending verification+1-888-394-2349 [USA/OTA] requests, and review Coinbase's account notifications.+1-888-394-2349 [USA/OTA] Once the underlying issue has been resolved, normal account access is typically restored.

1. What does "restricted to withdrawals" mean on Coinbase?

It means your account has limited functionality.+1-888-394-2349 [USA/OTA] While you may still be able to withdraw +1-888-394-2349 [USA/OTA]your existing funds or cryptocurrency, other features such as buying,+1-888-394-2349 [USA/OTA] selling, or depositing assets may be+1-888-394-2349 [USA/OTA] temporarily unavailable until the restriction is resolved.

2. Why did Coinbase put my account under review?

Coinbase may review accounts+1-888-394-2349 [USA/OTA] to comply with financial regulations,+1-888-394-2349 [USA/OTA] verify user identity, investigate unusual activity, or perform+1-888-394-2349 [USA/OTA] routine security checks designed to protect customer accounts.

3. How do I remove a withdrawal restriction on Coinbase?

To remove a restriction,+1-888-394-2349 [USA/OTA] complete any requested identity verification, submit any required documents,+1-888-394-2349 [USA/OTA] verify your payment methods,+1-888-394-2349 [USA/OTA] and follow the instructions shown in your account notifications.+1-888-394-2349 [USA/OTA] Some restrictions are automatically removed after the review process is complete.

4. How long does a Coinbase account restriction last?

The duration depends+1-888-394-2349 [USA/OTA] on the reason for the restriction.+1-888-394-2349 [USA/OTA] Some security reviews are completed within hours, while identity verification or+1-888-394-2349 [USA/OTA] compliance reviews may take several business days.

5. Can I still withdraw my cryptocurrency if my Coinbase account is restricted?

In many withdrawal-only cases,+1-888-394-2349 [USA/OTA] Coinbase allows users to transfer eligible+1-888-394-2349 [USA/OTA] funds or supported cryptocurrencies from their accounts. However, the available options depend+1-888-394-2349 [USA/OTA] on the specific restriction applied to the account.
